Hello Nora,

I hope this note finds you well. Councilman Santiago has asked me to assist the owners of La Copa in getting their place opened up. After speaking to Rick Riccardi he suggested that I contact you. He stated that you had history on this project and that I should talk to you about the current progress and what we might be able to do together to assist them in opening up.

I hope to hear from you soon. If I don't hear from you today I hope you have a great weekend and I will talk to you soon.

Thank you for your time and attention.
